

STUDY PROGRAMME

COURSE: CERTIFICATE IN CAREGIVER

DURATION: 6 MONTHS

REQUIREMENT: Grade 10 with a minimum of 17 points

This is a six (6) months programme that enable the student to understand basic nursing care. On completion of this training, students are able to work in various private healthcare organizations such as old age homes, private hospitals etc.

This programme can also be the beginning of your nursing career, especially, for the students who does not have the required Grade Points to study nursing or are Grade 10 leavers. Therefore, upon completion of this programme, you can apply for an Auxiliary Nursing course in other nursing institutions.
